CSI ALL SAINTS' CHURCH

Medak Diocese

2 Corinthians 9:7 says: "Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."

Greetings faithful congregants of All Saints' Church,

It has been a pleasure serving the needs of our church members and the surrounding community. All Saints Church was constructed in 1860 AD to serve the British Cantonment of Secunderabad. The church was the first permanent structure in the Trimulgherry Entrenchment. The church received the INTACH Heritage award from the Government of Andhra Pradesh for good maintenance in 2002. Earlier generations have passed on this 'Church' to us; let us now provide for future generations.

Today we are writing to you for a very specific reason. We're writing to you because together, we can make great things happen. In keeping with that thought, we're excited to share our latest church project with you – "Restoration and conservation of all the doors & walls in the North, South side & front elevation of our Church". The estimated cost for renovation given by Aptsorbh Pvt. Ltd. (an agency providing traditional solution on restoration of built Heritage) is Rs.35,00,000/- (Thirty Five Lakhs).

To raise funds for this restoration, we are publishing a Souvenir containing the glimpses of All Saints' Church activities and also with some valuable articles contributed by our church members.

In view of this, we would earnestly request you to kindly make provision for inserting an Advertisement of your esteemed institution/company/corporate house/personal group photo in this Souvenir.
